#### Description

CHAPARRAL 210 SSI 2007 QRS rating A+ Another fine boat from RPMSPORTS! Im so very proud that we focus on such nice boats as this 210SSI. It is in excellent condition, virtually showroom condition. Its not a loaded one with a bunch of bells and whistles but its one that is very clean and easy to use and maintain. Bells and whistles are super nice but a pain to take care of when it's time to clean and so on. This one is powerful and runs great. Tons of pulling power and keeps a speed very well. You would think it has cruise control. Multiport fuel injection is the secret to this great running...
